**„NATURTEKTUR/naturetecture“-
Exhibition now in Korea**

The exhibition „naturetecture“ achieved by the Chamber of Architects of North Rhine-Westphalia, focusing on the challenges and future tasks of landscape architecture, is a matter of international attention. “Naturetecture” is being shown at several regional festivals of architecture in Korea such as the „Korea & China & Germany International Architecture Exhibition“ of Jeonbuk University. Further venues will be in Busan in the beginning of October, within the „Daejeon Architectural Culture Festival“, held from 14 to 19 October, and at the „Gwangju Festival of Architecture & Urban Culture“, held from 3 to 7 November 2010. All venues in Korea are realized in cooperation with the NAX Network for Architecture Exchange of the Federal Chamber of German Architects. A further venue in Istanbul is scheduled for November 2010. *ros*
